EDUCATION

Le Wagon, Brussels, Belgium

Full-stack Coding Bootcamp

Jan 2019 – March 2019

- Learned the necessary tools needed to build any web app in the course of 9 intensive weeks
- Course takeaways: Ruby on Rails, JavaScript, HTML, CSS, jQuery, SQL, Bootstrap, git, GitHub, Heroku and UX/UI essentials
- Currently at the end of the bootcamp building, in a team of 4 people, our own project from scratch.

University of Exeter, Exeter, UK

Bachelor of Arts with Honours in Business and Management

2014–2017

- with Proficiency in German
- Classification: Class II Division I (66%)
- Modules included: Design management & marketing, Operations Management, Consumer Behaviour and Psychology of consumption

WORK

EXPERIENCE

EUROCONTROL, Brussels, Belgium

Stakeholder Relations and Information Management Trainee

March 2018 – Jan 2019

- Successfully maintained the Salesforce stakeholder database of the agency, designed mails for stakeholder using CSS and HTML and provided in-house training of the tools.
- Participated in new successful corporate communications initiatives in which I was entrusted a great level of responsibility and decision making.
- Developed my analytical skills and attention to detail as well as, my interpersonal, team work and self-management skills

University of Exeter Fundraising Campaign, Exeter, UK

Telephone Fundraiser

Oct 2015 – April 2016

- Developed excellent communication skills while building relationships with university alumni via phone calls.
- Raised with my team in a short 5-week period, a total amount of £162,443 from 614 different alumni donors by promoting the benefits of supporting Exeter's Annual Fund.

LEADERSHIP
POSITIONS

Exeter University Spanish Society

President and Cofounder

Nov 2015 – Jul 2017

- Managed to bring together some colleagues in order to create the society that represents my country within the University.
- Broaden my administrative and multi-tasking skills while managing memberships, obtaining sponsorships and organising events for the society.
- Headed different promotional campaigns to capture new members supported by self-created leaflets through image editing software.

VOLUNTEERING

Teacher and Translator with [Fondation Vie Pour Tous](#)

Jun-Jul 2017

- Taught English and Spanish in a boarding school of Benin (Africa) to children with limited resources while benefiting from a unique cultural exchange.
- Employed my language and content creating skills to help promote the NGO's activities in three languages to recruit new partners and members across different countries.

Community Service with [Alboan NGO](#)

2012 – 2014

- Involved in projects to encourage the social integration of immigrants' children through sports and academic activities.
- Worked part time for a year as company assistant in an elderly care home in Bilbao.

Mediator at [Colegio Jesuitas Indautxu](#)

2011 – 2014

- Elected to be part of a group of 10 trained students for conflicts solving in my school.
- Developed active listening, assertiveness and problem solving skills, which enabled me finding appropriate resolutions for all specific situations.
